

small group curriculum options 2010-2011

On the following three pages are curriculum options for your Small Group to choose from. Before you consider which curriculum is best for your Small Group, there are several guidelines for your choice.

In the Fall 2010, we are very excited about two times when all Harvest Small Groups will study the same curriculum:

1. September 12-18 will be a one-week Small Group study on prayer, with a specific prayer emphasis that week in each Small Group.
2. In October and November, for five consecutive weeks, all Small Groups will participate in a special "all church" curriculum, in conjunction with a 5-week sermon series by Pastor James. More details are coming very soon; please make plans now to lead your Small Group through this curriculum for those five consecutive weeks beginning the week of October 23, 2010.

If your Small Group has not completed the Harvest Bible Chapel Curriculum [Year 1, #1 through Year 3, #2], you must begin by completing the following studies: (1) Discipleship [Year 1, #2], (2) Spiritual Disciplines [Year 2, #2], (3) Doctrine of God [Year 3, #1].

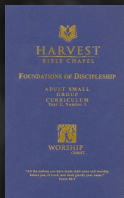

Small Group Leaders must receive the approval from their Flock Leader prior to beginning a curriculum option.

The Curriculum Options are organized into the following categories: Doctrinal Studies, Spiritual Life Studies, Family Life Issues, and Exegetical Bible Study.
